INTRODUCING

BURTON'S PREMIER LIVE ENTERTAINMENT VENUE

**Over the last nine years
The Marquee at The National
Brewery Centre has become firmly
established as Burton's premier
live entertainment venue.**

The thirty metre long Marquee is a permanent structure featuring its own stage, dance floor, themed lighting and bar and is heated all year round.

It can accommodate up to 450 people standing and up to 240 for dining events. Flexible internal partitioning allows smaller, more intimate spaces to be created if required – or extensions can be added for our larger Festivals.

A full bar service, professional sound and light systems and themed decorations add to the quality of the experience.

The Brewery Tap Bar and Restaurant is available for pre-show meals and offers a wide menu and quality bar snacks.

From live bands to comedy nights, from beer festivals to Christmas parties – there's a year round event programme at The Marquee with something for everyone.

The Marquee can also be hired for weddings, corporate events and private parties. Coupled with great service – every event delivers an experience to remember.
